

Get Involved with your Local Museum!

Become a Docent (Tour Guide)

Use your enthusiasm and knowledge to engage students and families who visit the museum. Join our new docent-training program and explore the wonders of the museum! CU faculty, staff, and museum objects will be your guides on this exciting journey through our Paleontology and Navajo Textile collections. Two classes are available: Wednesday evenings from 6:00-8:30pm and Thursday mornings from 9:00-11:30am. Choose the one that is right for your schedule. Classes for docents are free, begin September 30th/October 1st, and run through the first week of December.

Visit <http://cumuseum.colorado.edu> or call: (303) 492-1666 for a description, directions, and a volunteer application.
